The Effects of Shale Gas Drilling

James L. Northrup

In the energy business for over twenty years, Mr. Northrup has been a planning manager at Atlantic Richfield (ARCO), an independent oil and gas producer, and owner of onshore and offshore drilling rigs; he attended Brown University, has an MBA from the Wharton School of Business, and is a member of the board of directors of Otsego 2000.

Videos by James Northrup

On this dvd

http://vimeo.com/14472351 (4:45 min.)  Brief introduction to high-volume slick-water horizontal hydraulic fracturing (hydrofracking) gas drilling method and some problems in NY.

http://vimeo.com/14295502  (27 min.) - More Complete version of Introduction to high-volume slick-water horizontal hydraulic fracturing (hydrofracking) gas drilling method and some problems in NY.

http://my.brainshark.com/Fracking-Shale-Gas-Industrialization-Video-753892639  - Northrup explains the ways shale hydrofracture gas drilling and production is massive industrialization.  (20 mins 4 secs , 28 slides)
